

Company Name
OrbitCoach Tutors

Mission

Help students master tough subjects with affordable, AI-assisted 1-to-1 coaching that blends human tutors with smart lesson plans.

Services

- 1-to-1 tutoring (Math, Physics, CS) – live or online
- Fast “10-minute concept boost” micro-sessions
- Homework clinics & exam prep packs
- Progress dashboards for parents & students

Team

- **Lama Mawlawi(CEO/Lead Tutor):** 8 yrs HS math & SAT prep
- **Tariq Haddad (CTO):** ML engineer; built adaptive practice systems
- **Rita Salim (Ops):** Scheduling & support lead

Unique Value Proposition

- AI builds *personalized problem sets* after each session
- Tutors see *knowledge gaps* in real time
- 24/7 chat support with instant escalation to a human when needed

Policies

- Student privacy first. We only store what you share with us.
- Cancel 12h+ in advance for a full refund.
